2019 Sponsorship Information

Revised 2/12/19

The Chesterfield Township Parks and Recreation Department has a multitude of community oriented special events and youth sports leagues that take place throughout the year. Many of these events wouldn't be possible without the support of area businesses to help keep the costs low for our residents. Additionally, your contributions allow us to offer many new programs, special events, and to add some flair to some of our most popular established activities! If 2019 is as successful as the past year, our department will be able to continue its quest to provide low cost family programming in a multitude of settings and reach all members of our community. We welcome the opportunity to help you promote and market your business through our website, Social Media sites and publications.

Attached is an outline of our 2019 Sponsorship Benefits and Opportunities. It designates the special events and leagues that our department hosts for not only its residents, but also those of surrounding cities and townships. With your sponsorship dollars, not only will you be helping us to provide programs at a low-cost to families, but we too can assist YOU, by marketing YOUR business within the community. You can choose to sponsor a sports team and have your company logo proudly displayed on the player jerseys and your business name promoted on league schedules, or when you sponsor a special event your business name/logo will be displayed on our website, flyers, press releases, social media and more! By teaming up with us, you will be surprised by the many ways in which we can market and promote your company. It is our goal to highlight your business to our participants, families and friends!

Thank you for your consideration. We look forward to partnering together to provide quality recreation programs and to promote your business. Keep in mind, that securing sponsorship early will give your business the greatest choice! Should you have any questions, or you would like to become a community partner through sponsorship, please contact our department at 586-949-0400, ext. 6451 at your earliest convenience. We hope that you will find sponsoring with Chesterfield Township Parks and Recreation is an excellent way to grow your business while supporting our community!
